Bridge is a card game, played by 4 people. In order to reap the benefits, ideally lessons should be taken. Lessons cover the main two aspects of the game - bidding for trumps and card playing techniques and strategies. Bridge is social, cheap, fun, a lifelong pursuit, stimulates the brain and can improve your reasoning skills, memory and even boost your immune system! There are 2 bridge clubs in Claremorris; they run from September to May. One club on Monday nights (Claremorris Bridge Club) and the other on Wednesday nights (Kilcolman Bridge Club). Both clubs welcome new members and visitors. If you would like more information, you could look up the Contract Bridge Association of Ireland website, or text 087 2908123.
